enquiring whether exports of aluminium into British India have been stopped under our aluminium Control order.

The Aluminium Control Order, 1941 was issued in Mysore at the request of the Residency and after incorporating the modifications suggested by them. The Order in the main follows the British Indian Order.

One of the requirements under the Order is the need for a permit for sale of aluminium, the permit being given by the Central Government. No specific prohibition against the export into British India has been made by the Order.

A draft reply to the Residency is put up for orders.

CHIEF SECRETARY
24. JUN. 1941
GOVT. OF MYSORE.

Dated Bangalore, the 23rd June *1941.*

ALUMINIUM CONTROL.

SIR,

I am directed to say that it has been brought to the notice of the Government of India that certain Indian States have prohibited the export of aluminium scrap from the State territory into British India. I am to enquire whether the Government of Mysore have in fact imposed such a prohibition, and if so, the reasons which led them to take such a step.

2. I am to add that it would appear desirable that there should be no legal obstacles to the free movement of the article from States to British India for remelting into ingots for purposes of manufacture of utensils for the Army and for various other purposes.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.

To--The Secretary to the Hon'ble the Resident.

Sir,

ALUMINIUM CONTROL.

I am directed to acknowledge the receipt of your letter No.F.25-41/W dated 23rd June 1941 on the above subject and to state that the Aluminium Control Order, 1941, of British India has been adopted in Mysore as requested in your letter No.F.25-41/W dated 19th March 1941 and subject to the modifications suggested therein. Two copies of the Order were sent with this office letter No.Pol.1729 dated 1st April 1941.

I am to add that under paragraph 4 of the said Order, sale of unmanufactured aluminium or unmanufactured aluminium alloy is permissible under a permit to be obtained from the Central Government. As advised in your letter No F 25-41/W dt the 20th June 1941, aluminium scrap is exempt from the provisions of the Order & no Certificate, permit or return will be insisted upon in respect of such scrap.
